

Newsletter May 2007

Congratulations to all of this years spring marathon finishers! You all trained in a cold, snowy, icy winter and should be so proud of your accomplishments!

A special congratulation goes out to all of the Boston Marathon finishers! This years Boston had extraordinary weather conditions before and during the race! Running in a HURRICANE can't be easy! Congratulations to everyone. The Elmhurst Running Club is so proud of all our athletes.

ERC Runners Council

Each year we divide up the activities involved in support of the club. Please consider volunteering for an unfilled position or to work with someone already listed. It's a great way to prepare yourself to be a coordinator next year. Simply pick a position that interests you and get involved! (P.S. - the newsletter coordinator position is taken!).

Bob Richards has just volunteered to be the non-circuit race results coordinator for the club. Please send results to him at: bobnanrun@sbcglobal.net

Of particular need is someone to take charge of the **Annual Picnic**, and someone to work with the local press, etc. (see **Communications Coordinator** position.) Coordinator roles are posted at

http://www.elmhurst-runners.com/documents/Coordinator_Roles_2007.pdf

Additional contact information is posted on the Web site or you may phone Susan at 630-941-0926 with any questions and/or suggestions for the club in the coming year.

Distance Training

Marathon training will formally begin on Saturday, June 9, at 6:00 a.m. at the Gazebo. We follow the Hal Higdon training program which is posted on the ERC website. This year ERC will be partnering with Illinois Runs (I-Runs), Dick Pond Athletics-Elmhurst, and Olympic Chiropractic to bring you the best local marathon training program around. Bill Sanders is our marathon coordinator and can be reached at bsanders@chns.net

If anyone is running a fall marathon for a charity please e-mail the information to Julie katkmt@comcast.net so we list that in the Newsletter.

To everyone who ran with the 2006 Marathon Training Group -

Since so many have asked about 2007 Marathon Training Group and how to sign up here are the steps. There are two ways to sign up. One way is to just go through Illinois Runs (as a non ERC member) and pay \$ 125. This is the most expensive way to do it. Another way is a member of the Elmhurst Running Club. ERC members receive a \$ 75 DISCOUNT to upgrade

to the I-runs program and would pay only \$ 50. So here is the way to sign up for the 2007 MTP.

1. If your ERC membership has lapsed or will be joining for the first time, print the attached application and complete the instructions. The membership fee is a whopping \$ 15 annual fee. Sorry no installment payments ☹.
2. Then you sign up at the WWW.ILLINOISRUNS.ORG website and make sure you sign up under the "participating club" group rate.

It is that easy. If you want to be a pace group leader, the \$ 50 fee for Illinois Runs will be waived. Contact Bill Sanders with any questions. bsanders@chns.net

Speed Workouts

Spring track sessions are targeted to begin Wed. May 16. We meet at the Gazebo Wednesdays at 6:30 p.m. and warm up together on the way to Elmhurst College track. Any questions regarding speed work sessions can be directed to Mark Montgomery at amont68@aol.com

Upcoming CARA Circuit Races:

Run For Hungry Children 5k in Hoffman Estates on May 19th.

Meet at the gazebo at 6:15 a.m. to carpool.

Elgin Valley Fox Trot on Memorial Day

Meet at the gazebo at 6:00 a.m.

Please e-mail Doug Pearson when you sign up for a race. Likewise, please drop him a note if you're planning to run the Chicago Distance Challenge or the Chicago Marathon. As for other races, please let him know if you're planning to race so he can post it and other club members can see what races the team needs help filling and plan their race schedules accordingly. For those planning ahead, there are three half-marathons on September 9th. We will be competing in the Alpine Races half and 5k for the circuit, which is the same day as Crystal Lake Half Marathon and the Banco Popular Chicago Half Marathon. For those looking to occasionally help the team and not looking for individual honors, running the second distance at races like Elgin (5K), Downers Grove (10m), CDC (5k), Park Forest (5k), Lake Zurich (5k) and Westchester (5k) may increase the likelihood of getting a valuable age division wins.

Other CARA News

News from the Park Forest Scenic 10 Race Committee: Labor Day 2007 marks the 30th Anniversary of this top-rated run. Its long-time directors will be retiring and contrary to rumors, the plan is to continue producing the event with some modifications and additional sponsorship in 2008. Plan on attending this year's 30th Anniversary Gala this fall for a great run and a chance to provide *your* feedback!
