

CARA Lakefront 10

April 16, 2011

We won the veteran men's category and finished a close second in the master's mens category, losing by only 1.9 seconds. Barry Brandt fell and needed stitches in the race. He claims this cost him breaking an hour. Despite this, he was the first in the club to ever get the highest age graded score in a circuit race with his performance. Our four women all scored in the top 20 in the race. Regrettably the race scores the top 5, and we did not have a 5th for either the men or the women. This shows anyone could have shown up and helped our team performance at this race.
